

Reading Together...

is one of the **best** ways to help your child enter school with the language skills they need to be ready to learn and grow.

Here's How to Participate:

- Pick up your reading log from any Guelph Public Library location.
- Fill in a circle every time you and your child reads a book. Remember to include stories that your child hears at library storytimes, in preschool and daycare – any and all books and stories count!
- When you finish reading 100 books, bring your completed reading log to any library location for a reward and we'll give you another one to keep on reading!
- For your 10th and final reading log, visit the Main Library Children's Department to receive your prize and certificate of completion!
- If you read just four books a week, your child will have read over 1,000 books in five years!

Fill in a circle every time you read a book. By the end of this reading log, you will have read 100 books!

Have your child select books that appeal to their interests.

Children often enjoy the same book or story multiple times. Be sure to count all times you've read the story.
