3D Printer Guidelines

Anyone may use the printer on a drop-in basis or may book a time with staff.

- Print jobs may take up to a maximum of two hours
- Staff may refuse to print requests that are considered harmful, unlawful, or otherwise inappropriate
- Users are responsible for staying with their print jobs while in progress
- Staff will begin print jobs, change filament and remove finished print

Please do not use the 3D printer without staff assistance.

Thank you for your cooperation.
